

### 1 Description

The Adjustable Height Plastic Legs are designed to provide support and adjustability for various furniture applications. They are suitable for use in kitchens, cabinets, or other furniture pieces requiring adjustable height.

### 2 Available

- Material: Made from durable plastic.
- Height Adjustment: Allows for easy height adjustment to accommodate different furniture needs.
- Screw-On Design: Features a screw-on leg design for secure attachment to furniture bases.
- Load Capacity: Capable of supporting a maximum load of [specify load capacity].
- Color: Available in [specify color options].

### 3 Specifications

- Height Range: Adjustable from [specify minimum height] to [specify maximum height].
- Leg Diameter: [specify leg diameter].
- Base Diameter: [specify base diameter].
- Screw Size: Compatible with [specify screw size] for easy installation.
- Quantity: [specify quantity per pack or unit].

### 4 Installation Instructions

- Ensure the furniture surface is clean and free of debris.
- Position the adjustable height plastic leg at the desired location.
- Align the screw holes on the leg with the corresponding holes on the furniture base.
- Securely attach the leg using the appropriate screws, ensuring a tight fit.
- Adjust the leg height as needed using the provided adjustment mechanism.

### 5 Maintenance and Care

- Clean the adjustable height plastic legs using a mild detergent and a soft cloth.
- Avoid using abrasive cleaners or harsh chemicals that may damage the plastic surface.
- Regularly check and tighten any loose screws to maintain stability.

**Note: It is important to refer to the manufacturer's instructions and any specific product documentation for accurate and detailed information regarding the adjustable height plastic legs.**
